

GatherTown Functions

Keys

Use Arrow Keys to Move around the Space
Press "X" to interact with objects and posters
Press "g" to go into ghost mode to not interact with objects, posters & people

Functions

To "Respawn" at the entryway: click on your "selected name" at the bottom & then click on "Reset Position"
To see where you are in the map click on the "Mini Map" icon at the bottom

Find People

To find a specific person: Go to participant list "👥" in the bottom left corner. Click on the person's name you want to find & click follow. It will then take you to that person. (Make sure after you find them you click unfollow)

Enjoy LangFest 2021!
